#### THE PANHELLENIC CREED

We, The Fraternity Undergraduate Members, stand for good scholarship, for guarding of good health, for wholehearted cooperation with our college's ideals for student life, for the maintenance of fine social standards, and for the serving, to the best of ability, of our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnae days is the ideal that shall guide our chapter activities.

We, The Fraternity Alumnae Members, stand for an active, sympathetic interest in the life of our undergraduate sisters, for loyal support of the ideals of our Alma Mater, for the encouragement of high scholarship, for the maintenance of healthful physical conditions in chapter house and dormitory, and for using our influence to further the best standards for the education of the young women of America. Loyal service to chapter, college, and community is the ideal that shall guide our fraternity activities.

We, The Fraternity Officers, stand for loyal and earnest work for the realization of these fraternity standards. Cooperation for maintenance of fraternity life in harmony with its best possibilities is the ideal that shall guide our fraternity activities.

We, The Fraternity Women of America, stand for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life. To us, fraternity life is not the enjoyment of special privileges, but an opportunity to prepare for wide and wise human service.

## A Tribute to Al Halverson . . .

With the conclusion of the summer school program, Al Halverson will retire as Director of the Plant Services Division. For the past thirteen years he has filled this capacity — going the extra mile to work far beyond the call of duty. Constantly on the job, he knew no scheduled work hours. He has known the college in its lean years and his particular contribution to its physical growth in recent years has been no small one.

His even disposition and ability to get along with others, along with his personal interest in each job, large or small, were the qualities that lifted his service to Adrian beyond the "satisfactory" level to that of "excellent". He leaves Adrian with "Summa Cum Laude" honors. Even more important, he leaves with the respect of those who worked under him and those who worked with him. Most important is the personal satisfaction he is entitled to feel as he reviews his years of leadership and service.

THANK YOU AL.

Al Halverson receives retirement check from Bus. Mgr. Gordon Hansen at Alumni Banquet.

p.s.

The story of the yearbook is the story of the college.

The MOUND staff hopes the changing picture of Adrian College is well reflected in this yearbook. Several changes have been made from last year's book, and we hope they have pleased you.

While the staff members who helped put the book out are listed on Page Two, we would like to make special mention of three who did "above and beyond the call" work. One of these is Sue Jones, whose superlative art work graces our division pages. Fighting time and the measles, and beating both, Sue did an outstanding job.

The work of the other two persons is not as clearly seen. They are the co-editors, whose planning, organization and worrying are in large measure rewarded only in their satisfaction at seeing the book accepted by their peers. To Bob Cleveland and Ruth Hitchens, a heartfelt thank you for several years of outstanding service.

This year especially, with the adviser coming in mid-year, the work of the students has been exceptional. We would also thank Dr. Robert Brown for his work in having the book ready to put together; Mrs. Ann Franz for proofreading; Lee Zimmerman and the Taylor Publishing Co. for effective service; and many, many others.

We hope all of them will be pleased with this work.

Ray Laakaniemi  
Adviser
